

Notes from meeting with Civic Canopy, 9/28/2015

Present: Scott Sampson, Missy Davis, Emily Patterson, Jen Henderson, Alyssa Von Lehman Lopez, Meghan Chaney, and Ana Soler

Phase 1 or Discovery Phase or Preliminary Planning Phase (Nov 1, 2015 – March 31, 2016) (5 months):

Establish some of the conditions of collective impact. Is this in fact collective impact? Solidify and get what the DNA is.

Scope/Activities:

Being proposed by Civic Canopy

Deliverables/Products might include:

- Identification of a shared agenda
- Identification of mutually reinforcing activities
- Communication plan and approach to community engagement
- Recommendations on governance structure
- Common approach to data/shared metrics?

Phase 2 or GOCO Phase or Planning Phase (April 1, 2016 - ?) can be up to two years:

Scope/Activities might include:

- Data collection needed to establish baselines related to shared metrics
- Community engagement/information gathering
- Bioblitz kick off event?
