Meeting Description

Metro DNA's semi-annual Stakeholder Convening is an opportunity for partners and friends to get together and network, learn, and co-create collaborative projects. This will be our first VIRTUAL convening and we are super excited about the opportunity this affords us to connect to even more people all across the region in a safe, accessible, and interactive way! At this gathering co-hosted with Volunteers for Outdoor Colorado and Great Outdoors Colorado we are focusing on building and activating a shared stewardship ethic and community in support of our Regional Vision for People + Nature!
